➤ WHAT IS THE PTSO?

PTSO stands for Parent – Teacher – Student – Organization.

Our PTSO has become a central place for all of our parents, staff and students to come and find out what is going on at Edison High School. Currently our school has over 2,000 students in the 9th, 10th, 11th and 12th grades.

The main goal of the PTSO is to maintain cohesion within the many groups that are in place throughout the school and to raise funds for our sponsored events. It consists of many volunteer driven committees. These committees provide support and activities, which make EHS more enriching.

With the support of the EHS Administration, we are able to have an open forum and discuss subjects that concern everyone. You will always find either Mr. Ross or one of our Vice Principals present at our meetings. They are the key for keeping us up-to-date on what is happening at EHS. In the past we have had guest speakers from the Board of Education or our own Guidance Department.

➤ DID YOU KNOW?

Maintain an **active** membership with the Edison High PTSO, for the entire time your student is enrolled at EHS, and your child qualifies for a chance to receive a **\$250 Scholarship Award** from the PTSO upon graduation.

You must attend most meetings & purchase a student+ membership to be considered an active member!

➤ HOW CAN I VOLUNTEER?

Whether you're a parent, student or EHS staff member, you can be more involved by simply becoming a member. You decide how much or how little you would like to volunteer.

Parents – We make a difference for our children!

Teachers – Get the support you need into making our school better!

Students – Let your voices be heard. Your suggestions always count!

Attend the meetings and learn firsthand what is going on at EHS, whether it is about a sports or club event, fundraiser or to discuss the many ways in which you can help!

➤ WHAT EVENTS DOES THE PTSO SPONSOR?

To follow is a tentative schedule of events for the year. Your contribution and time go towards programs and fun events for all students at EHS, teacher appreciation, project graduation and so much more!!! As you can see we need your help! Unfortunately, events may be cancelled due to lack of volunteers. Check the EHS website or Facebook page for continuous updates.

Our brief monthly meetings are usually held the 2nd Tuesday of the month, beginning at 6:00 PM in the faculty lounge.

As always, keep up to date with current events by attending the PTSO meetings, signing up for Remind, following our Facebook page and/or volunteering your time!
